# QRE (QUALIFYING AND RANKING EVENT) GUIDELINES

## INTRODUCTION

Qualifying and Ranking events, (QRE), are intended to provide additional opportunities for archers to obtain scores for the National Ranking Lists, obtain qualifying scores for international Team Selection or practice or training.

In addition to QREs, Ranking and qualification scores may be shot in any tournament listed on the Archery Australia Calendar that complies with World Archery (FITA) and Archery Australia Shooting Rules and/or these guidelines.

Scores obtained at International World Archery (FITA) registered events can also be used for Ranking and team selection qualification purposes.

Clubs, RGBs, and Archery Australia Inc may conduct QREs; other organisations may conduct QREs following approval by Archery Australia.

## GUIDELINES

- 1) There can be any number of QREs registered annually following lodgment of the Online Application and payment of the prescribed fee to Archery Australia.

QREs can only be registered using the Online Tournament registration process through the Archery Australia website <http://www.archery.org.au/Tournaments/Register-a-Tournament> or go to [www.archery.org.au](http://www.archery.org.au) and click on Register a Tournament.

**When registering a QRE you may pay online by Credit or Debit Card or simply SAVE and submit payment to the Archery Australia Office by cheque or Direct Credit. The QRE will not be registered until payment has been received.**

- 2) A QRE is defined as a round or double rounds held at one venue on one day.
- 3) Conducting rounds over two days counts as two QREs, separate applications forms must be lodged and prescribed fees paid.
- 4) QREs held at multiple venues at the same time will be regarded as multiple QREs. Separate applications forms must be lodged and separate fees paid.

- 4) If the host of the QRE needs to impose entry conditions due to venue size and capacity this must be noted on the application form and publicly announced when the host calls for entries. If entry conditions are imposed due to venue size the available spaces will be filled based on “**first come basis**”. The starting time of the QRE must be included at the time of registration and included in all public announcements promoting the QRE.
